**Poplíteo**

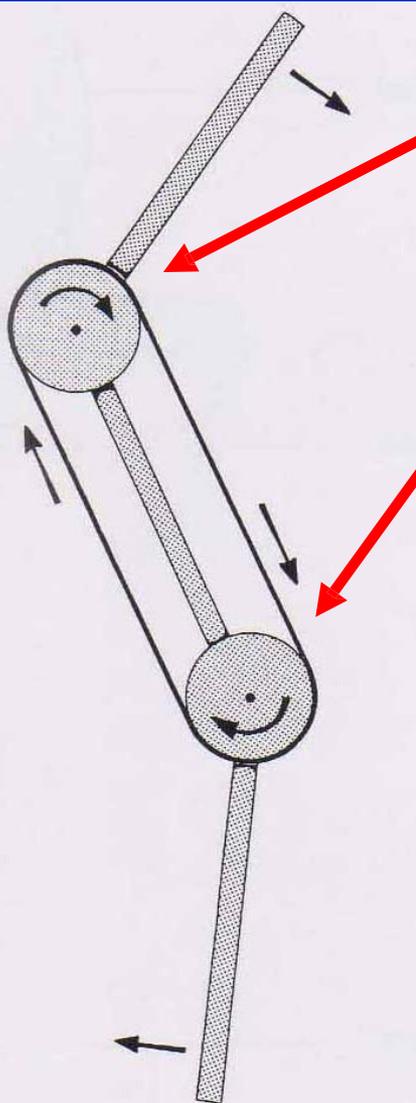

# PERNA E PÉ

## Fibular terceiro e Flexor digital superficial - CAVALO

# PERNA E PÉ

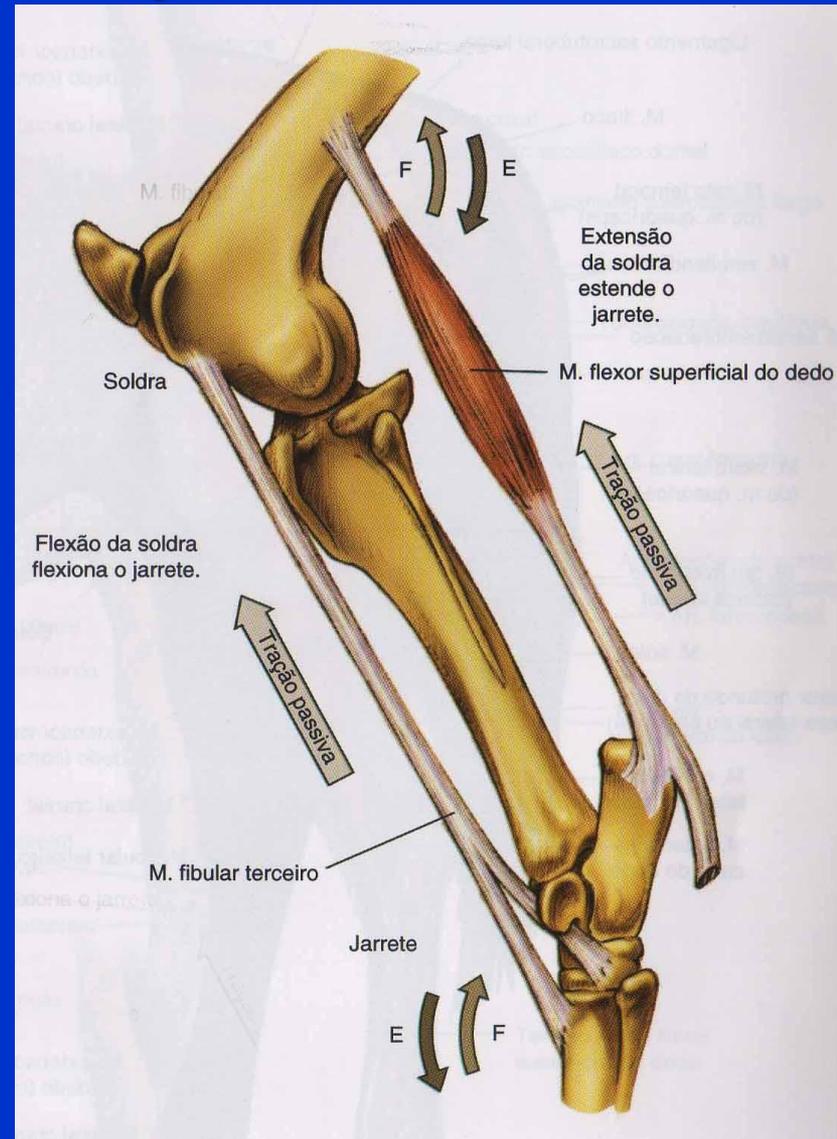

Fibular terceiro e Flexor digital superficial - CAVALO

Joelho

Tarso

Fexionam ou  
extendem  
juntos

Soldra

Extensão da soldra estende o jarrete.

M. flexor superficial do dedo

Tração passiva

Flexão da soldra flexiona o jarrete.

Tração passiva

M. fibular terceiro

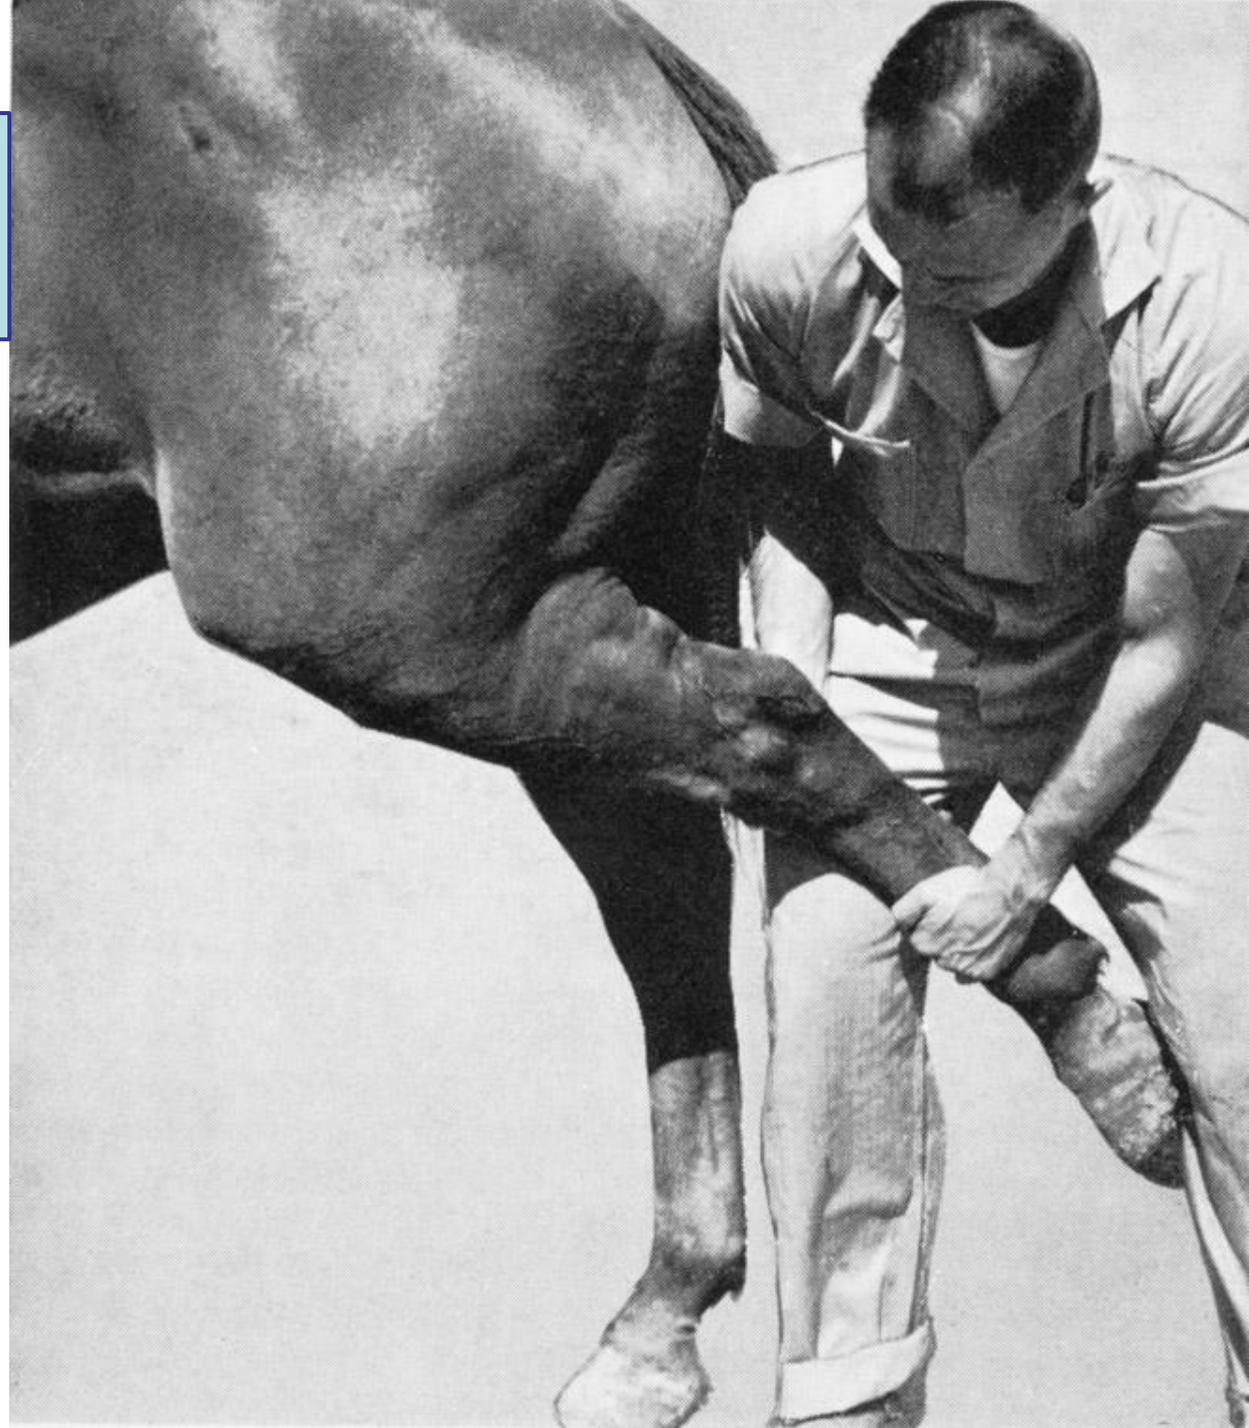

Jarrete

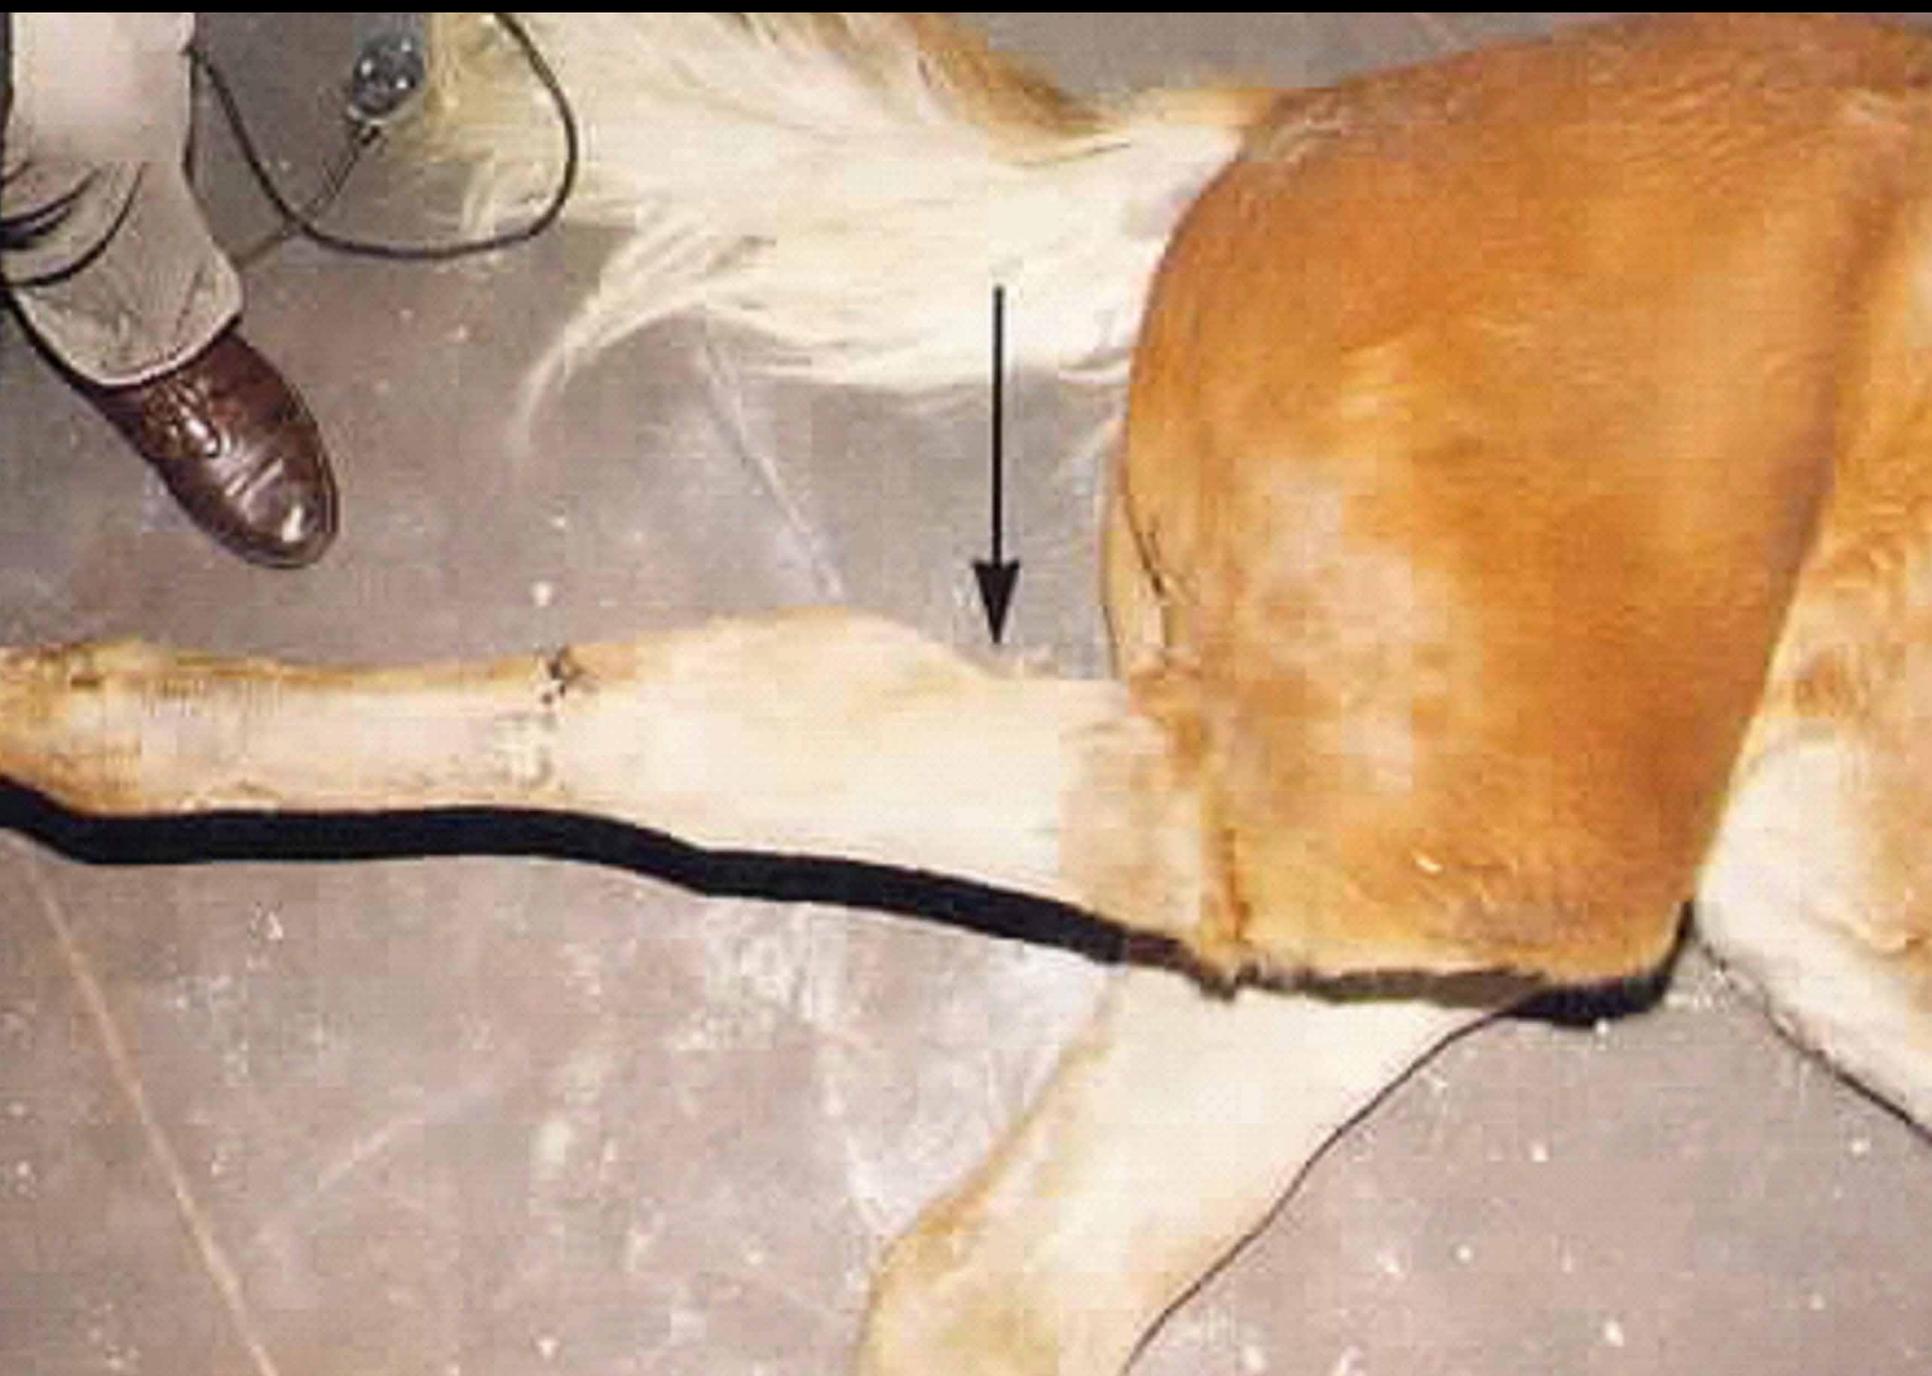

E F

## Ruptura do fibular terceiro

**O cavalo ainda  
suporta peso no  
membro**

**Geralmente boa  
recuperação com  
repouso**

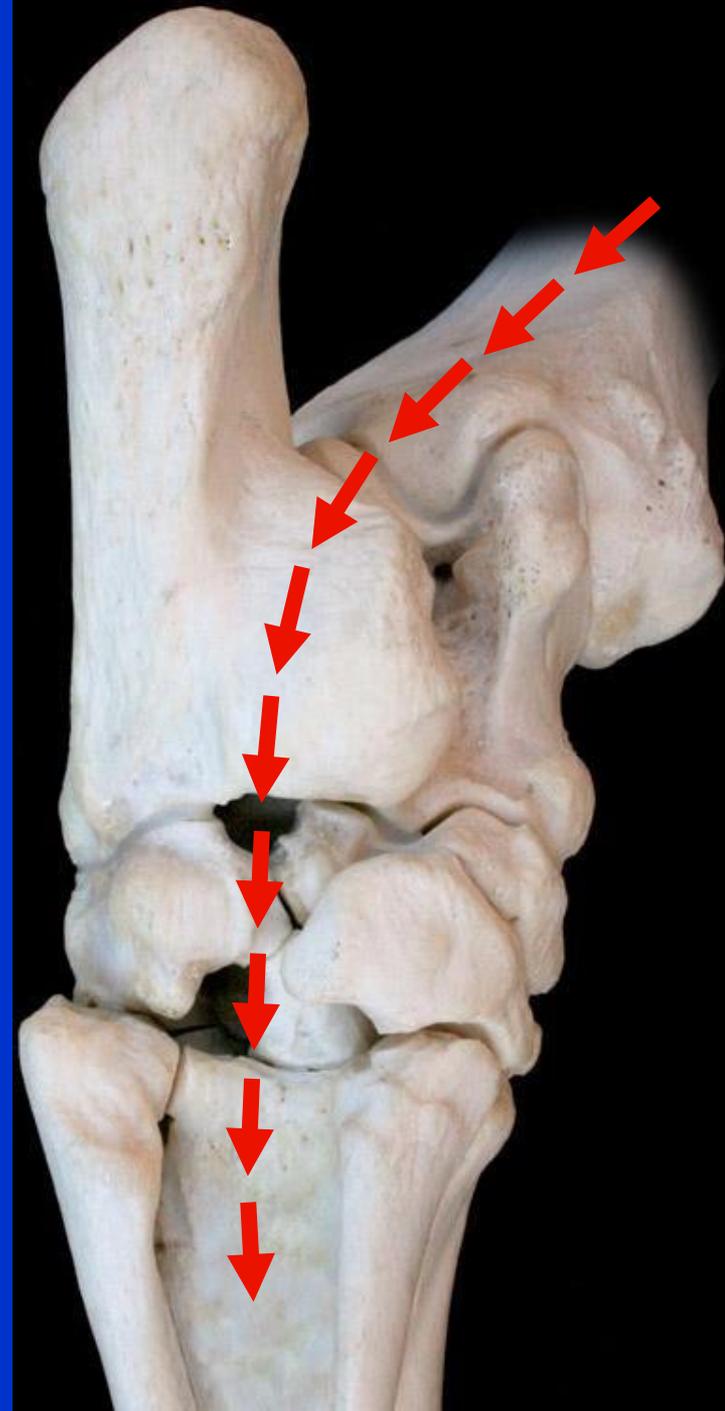

# Tendão do m. flexor digital profundo

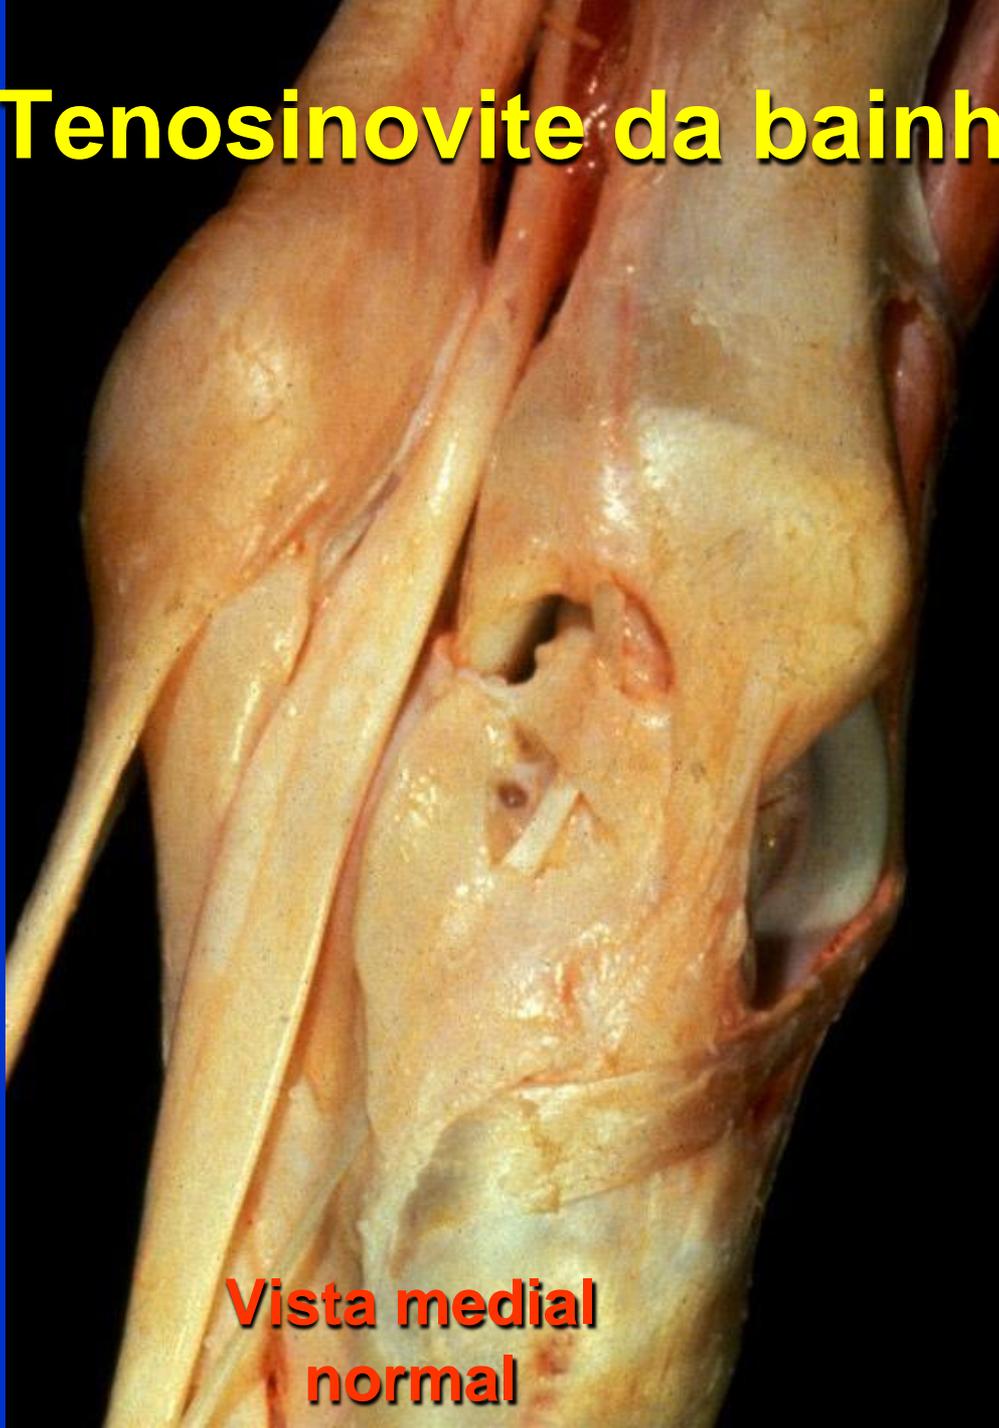

Sustentáculo do talão

Atrito

Bainha sinovial

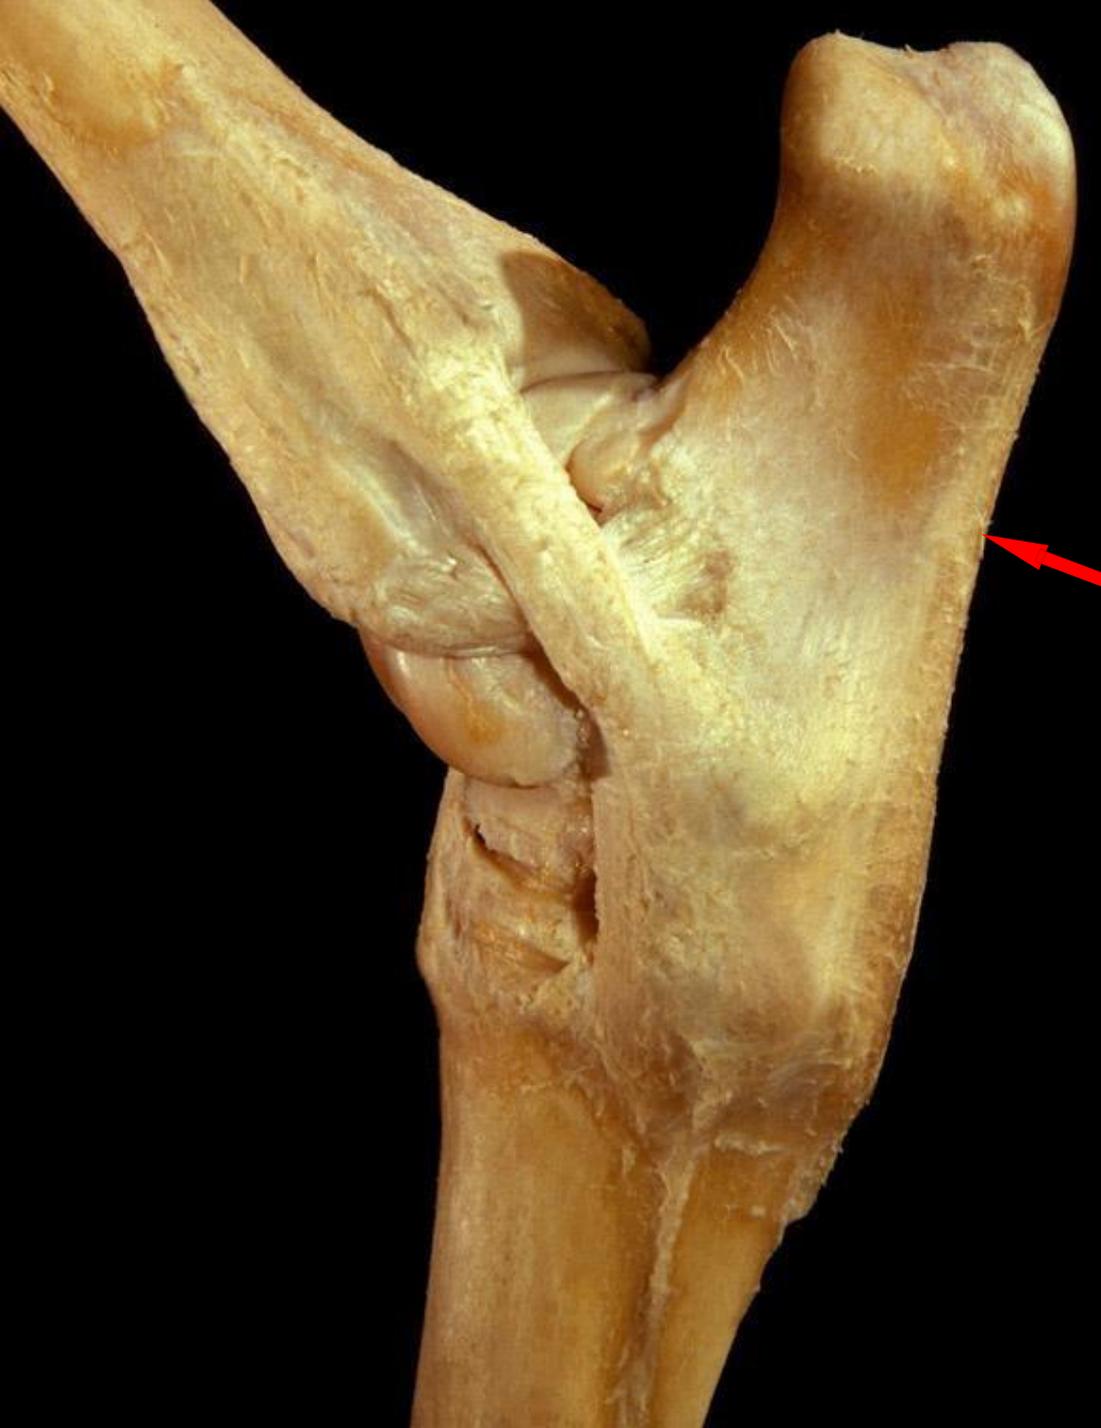

# Tenosinovite da bainha sinovial do FDP

**Vista medial  
normal**

**Vista plantar  
tenosinovite**

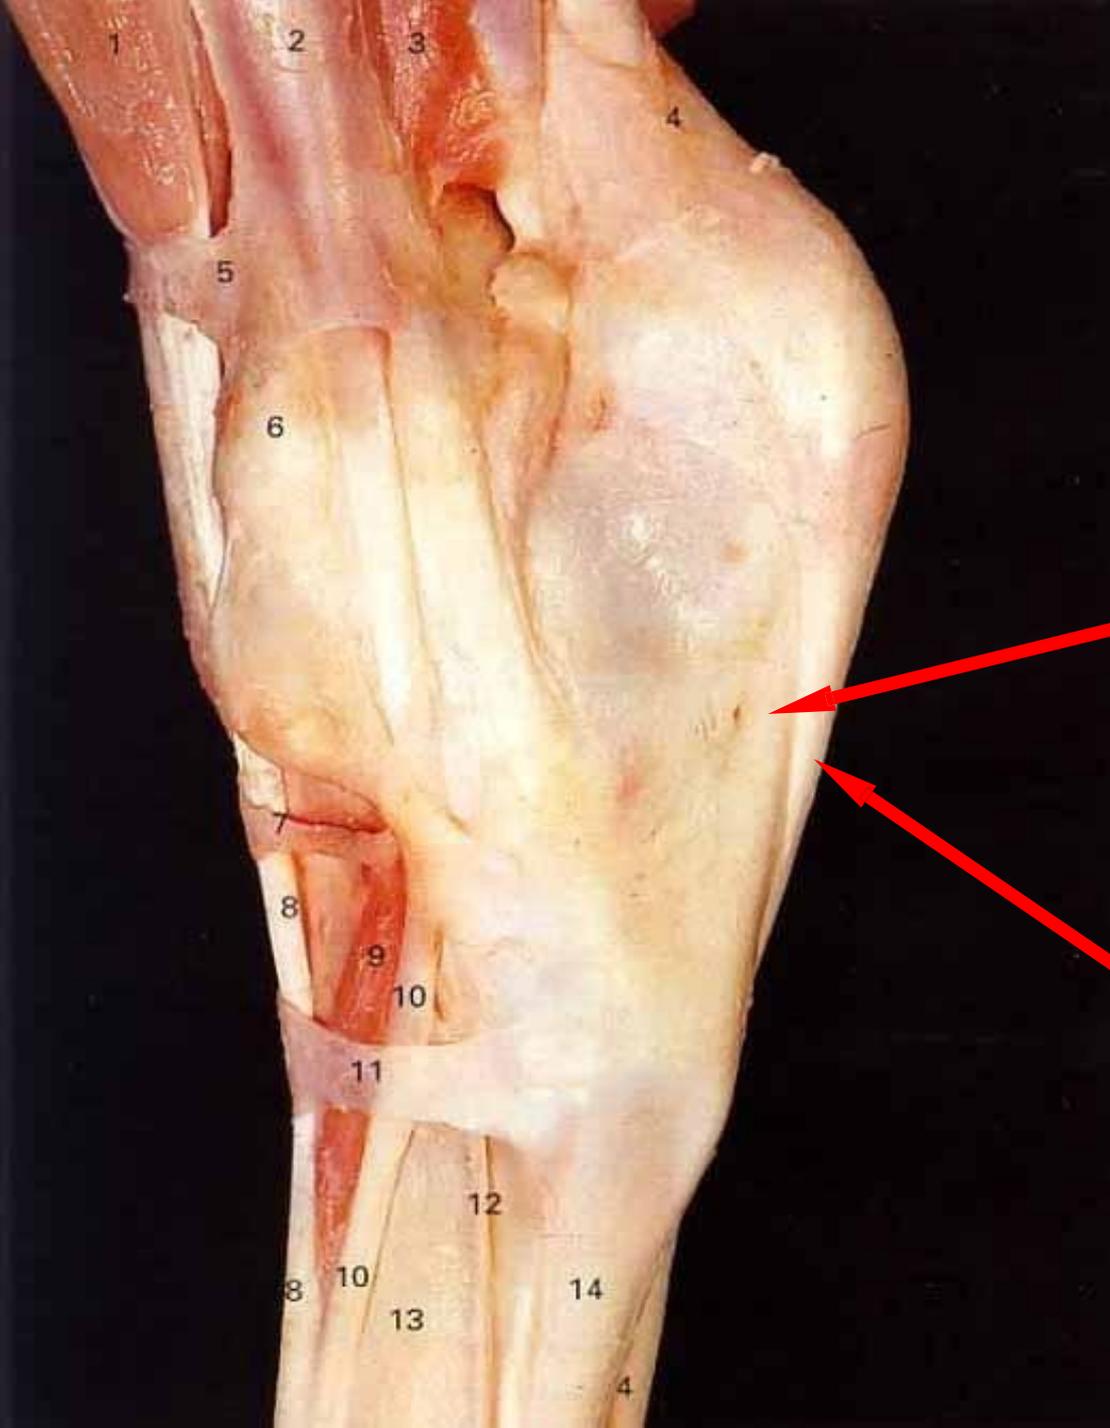

# Esparavão

Inflamação do  
ligamento plantar  
longo

# Esparavão

Inflamação do  
ligamento plantar  
longo

Desvia o tendão  
do FDS

# **Esparavão**
